

ANR
2027

The logo consists of the text "ANR" in a large, bold, orange-red script font, and "2027" in a similar but slightly smaller font below it. The "0" in "2027" is replaced by a circular graphic. This graphic features a red and orange city skyline, including the Oriental Pearl Tower and other skyscrapers, set against a white background within the circle. A red arc is positioned above the skyline, resembling a rising sun or a bridge.
